

## ABOUT THE SCHOOL

The mission of H-Farm International School is to enhance our student's talent and uniqueness, stimulate and develop their natural abilities and prepare them to consciously overlook the future. The goal is not only to prepare our students to become conscious, sensitive, attentive and curious global citizens, able to express themselves perfectly in both English and Italian, but also prepare them to become changemakers ready to face the challenges of tomorrow.

# COMMUNITY PROFILE

Vicenza is a city in the Veneto region of northeast Italy and is approximately 60 kilometres (37 mi) west of Venice and 200 kilometres (120 mi) east of Milan. It's known for the elegant buildings designed by the 16th-century architect Andrea Palladio. These include the Palladian Basilica and the Palazzo Chiericati, now home to an art gallery. Vicenza is a thriving and cosmopolitan city, with a rich history and culture, and many museums, art galleries, piazzas, villas, churches and elegant Renaissance palazzi. With the Palladian Villas of the Veneto in the surrounding area, and his renowned Teatro Olimpico (Olympic Theater), the "city of Palladio" has been listed as a UNESCO World Heritage Site since 1994.
