

ABOUT THE SCHOOL

Itchen College is a vibrant and modern sixth form college located in Southampton, on the South coast of England. 8% of the school's lively student community is made up of international students, with students coming from all over the world. Itchen has formed a healthy and trusting relationship with the local community. Some courses work in partnership with local businesses and organizations to provide students with valuable work experience. Itchen is a small friendly college, with an impressive range of subjects and enrichment opportunities.

FACILITIES

Itchen College was founded in 1906 and is located in Southampton, England. Southampton is the largest city in the ceremonial county of Hampshire. The city is home to the longest surviving stretch of medieval walls in England, as well as a number of museums such as Tudor House Museum. Southampton is a major area for professional sports, including a football club, a cricket club, and a hockey club. The school's state-of-the-art facilities include Sports, Performing Arts, Visual Arts spaces, a Learning Resource Center, a range of study spaces around the college, catering and shopping facilities, and much more.

COMMUNITY PROFILE

Southampton is a safe and historic community situated just 2 hours from the bustling British city of Brighton, as well as 80 minutes from the British capital of London! The area boasts beautiful seaside views and easy access to the water. Its close proximity to Surry affords students with ample opportunities for outdoor adventures. The community also offers recreational facilities, sports, and other clubs for students to enjoy. Southampton is a comfortable and cozy city where students will settle in and feel like they truly belong. More adventurous students, however, will find a variety of things to keep themselves busy!
